NO RICH AND NO POOR

We the undersigned joined (or are hereby joining) the Brighton Allston Community Coalition (BACC) because its goals, including adequate affordable housing and good public transportation and an end to gentrification, are part of our larger goal: removing the rich from power to have real, not fake, democracy with no rich and no poor. We hope that the BACC will declare that it also aims for this larger goal; that would make us be even more enthusiastic members of it.
