

**HERE'S WHY LIBERAL MAYORS
WHO GOT ELECTED BECAUSE THEY SAID
THEY WOULD PREVENT ABUSIVE RACIST
POLICING
DON'T EVER ACTUALLY DO THAT**

Have you noticed that the oh-so-liberal anti-racism mayors like NYC's de Blasio (who famously said how he had to warn his black son to be careful not to get killed by cops) and Minneapolis's Jacob Frey (a young idealistic civil rights lawyer elected because of his liberal anti-racism reputation) do not use their supposed power to control the police (theoretically they have the power to FIRE ALL OF THEM!) to prevent them from acting like the racist thugs that they are?

This fact has amazed and angered former supporters of NYC's mayor de Blasio [2] and Minneapolis's mayor Frey [3, 1] and others similarly in city after city in the USA.

HERE'S THE EXPLANATION

Mayors do not actually control the police in their cities, despite the fact that theoretically they do.

The CIA controls the police. [4, 5]

This is the CIA that murders foreign popularly elected heads of state such as Congo's Lumumba [6] and Chile's Allende [7]) for breakfast.

This is the CIA that orchestrated the assassination of JFK because he intended to end the Cold War. [8, 9, 10]

Do you think that the masters of the CIA, the billionaire ruling plutocracy, who remove unwanted FOREIGN elected leaders, are going to let some mayor get in the way of using the police to cow the have-nots into submission to the haves in the USA? [14] Not on your life!

The CIA just has to remind a mayor what happened to JFK when HE went off script, and even the most liberal anti-racism mayor is not likely to interfere with how the CIA uses its (yes its) police force in that mayor's city.

Do you think that a mayor caving in to the CIA threats would dare publicly expose what the CIA was doing? Think about it. Would you? If you had a family to support and didn't want to be a fugitive like Edward Snowden or end up in solitary confinement like Julian Assange?

I live next to the extremely liberal small city of Brookline (it's an island city inside of Boston.) It elects extremely liberal town selectmen. And yet, when the Brookline police were exposed (by two black cops in the department) as behaving in an extremely racist way, the Brookline selectmen were unable to do anything except FIRE THE ANTI-RACIST BLACK COPS! [11] What's going on here? The answer is that the Brookline selectmen were AFRAID to do otherwise. The CIA made them afraid, very afraid.

This is how our dictatorship of the rich [12] works behind the scenes.

This is why reform will not solve the problem [15]. We need an egalitarian revolution. [13]
